Noble Roman's Craft Pizza & Pub Restaurants See Record Weekend; First Franchise Location Set to Open May 2nd in Lafayette, IN.

(Indianapolis, Indiana) – April 29, 2019. Noble Roman's, Inc. (OTCQB: NROM), the Indianapolis based franchisor and operator of widely acclaimed Noble Roman's Craft Pizza & Pub, announced today that the four company-owned Craft Pizza & Pub restaurants set a combined sales record over the most recent weekend. Noting the strong performance, Scott Mobley, President and CEO of Noble Roman's, said, "We are extremely pleased to see the continuing success Craft Pizza & Pub garners with guests as we continuously innovate and as each location develops maturity over time."

Noble Roman's also announced that the first franchised Craft Pizza & Pub location is set to open this week on Thursday, May 2nd in Lafayette, Indiana. Located in the Lafayette Market Place shopping center at 3540 SR 38 East, the restaurant will offer all the Noble Roman's favorites for which they are famous, like scratch-made Sicilian pizza and hand-rolled breadsticks with spicy cheese sauce as well as a large selection of beer and wine, including local favorites. The full menu is available at www.nrpizzapub.com.

According to Mobley, the franchisees, Patrick and Holly O'Neil, are experienced multi-unit foodservice operators and uniquely qualified to be brand representatives for Noble Roman's Craft Pizza & Pub. "Patrick and his wife, Holly, are exactly the kind of individuals we sought after to begin a growing Noble Roman's Craft Pizza & Pub franchise family. They have tremendous experience, a commendable history of success and, very importantly, they are committed to the kind of 'WOW' operations that set Craft Pizza & Pub apart. I know the O'Neil's are looking at this to be the first of many units to come and they certainly have identified a hot market for Noble Roman's in Lafayette, where we have a proud and successful history." As Dairy Queen's largest franchisee in the state of Indiana, the O'Neil's have a well-established operational infrastructure and a track record of industry success.

The Lafayette Noble Roman's Craft Pizza & Pub will open at 11 am for lunch on Thursday, May 2nd. Their regular business hours will be 11 am to 10 pm Sunday through Thursday, and 11 am to 11 pm on Friday and Saturday. The restaurant can be reached at 765-613-0123 and online at www.nrpizzapub.com.

About Noble Roman's Craft Pizza & Pub

Noble Roman's Craft Pizza & Pub is intended to provide a fun, pleasant atmosphere serving pizza and other related menu items, all made fresh in customer view. In January, 2017, Noble Roman's opened its first company-owned Craft Pizza & Pub restaurant in Westfield, Indiana, a prosperous and growing community on the northwest side of Indianapolis. Since that time, three additional Craft Pizza & Pubs have been opened in Whitestown, Fishers and Carmel, IN as company-owned restaurants. Noble Roman's Craft Pizza & Pub is designed to harken back to the company's early history when it was known simply as "Pizza Pub." Like then, and like the new full-service pizza concepts today, ordering takes place at the counter and food runners deliver orders to the dining room for dine-in guests. The company believes that Noble Roman's Craft Pizza & Pub features many enhancements over the current competitive landscape. The restaurant features two styles of hand-crafted, made-from-scratch pizzas with a selection of 40 different toppings, cheeses and sauces from which to choose. Beer and wine also are featured, with 16 different beers on tap including both national and local craft

selections. Wines include 16 high quality, affordably priced options by the bottle or glass in a range of varietals. Beer and wine service is provided at the bar and throughout the dining room.

The pizza offerings feature Noble Roman's traditional hand-crafted thinner crust as well as its signature deep-dish Sicilian crust. After extensive research and development, the system has been designed to enable fast cook times, with oven speeds running approximately 2.5 minutes for traditional pies and 5.75 minutes for Sicilian pies. Traditional pizza favorites such as pepperoni are options on the menu, but also offered is a selection of Craft Pizza & Pub original pizza creations like "Swims with the Fishes" and "Pizza Margherita". The menu also features a selection of contemporary and fresh, made-to-order salads and fresh-cooked pasta. The menu also includes baked subs, hand-sauced wings and a selection of desserts, as well as Noble Roman's famous Breadsticks with Spicy Cheese Sauce.

Additional enhancements include a glass enclosed "Dough Room" where Noble Roman's Dough Masters hand make all pizza and breadstick dough from scratch in customer view. Also in the dining room is a "Dusting & Drizzle Station" where guests can customize their pizzas after they are baked with a variety of toppings and drizzles, such as rosemary-infused olive oil, honey and Italian spices. Kids and adults enjoy Noble Roman's self-serve root beer tap, which is also part of a special menu for customers 12 and younger. Throughout the dining room and the bar area there are many giant screen television monitors for sports and the nostalgic black and white shorts featured in Noble Roman's earlier days.

As Scott Mobley previously stated, "Noble Roman's Craft Pizza & Pub is the most exciting development for the company since it pioneered the non-traditional pizza venue. This stand-alone pizzeria concept is the culmination of some of the best of our history combined with all-new, leading edge technology and recipes to produce what we think will be a terrific growth vehicle for the future."

The statements contained in this press release concerning the company's future revenues, profitability, financial resources, market demand and product development are forward-looking statements (as such term is defined in the Private Securities Litigation Reform Act of 1995) relating to the company that are based on the beliefs of the management of the company, as well as assumptions and estimates made by and information currently available to the company's management. The company's actual results in the future may differ materially from those projected in the forward-looking statements due to risks and uncertainties that exist in the company's operations and business environment, including, but not limited to, competitive factors and pricing pressures, non-renewal of franchise agreements, shifts in market demand, the success of new franchise programs, including the new Noble Roman's Craft Pizza & Pub format, the company's ability to successfully operate an increased number of company-owned restaurants, general economic conditions, changes in purchases of or demand for the company's products, licenses or franchises, the success or failure of individual franchisees and licensees, changes in prices or supplies of food ingredients and labor, and dependence on continued involvement of current management. Should one or more of these risks or uncertainties materialize, or should underlying assumptions or estimates prove incorrect, actual results may differ materially from those described herein as anticipated, believed, estimated, expected or intended. The company undertakes no obligations to update the information in this press release for subsequent events.
