Noble Roman's Craft Pizza & Pub Announces "Pizza Dare Night #3"

Noble Roman's Craft Pizza & Pub will be offering up free samples of their exotic new pizza creation, "Buffalo Bill's Bison Pizza," featuring ground bison and a port wine mushroom sauce.

INDIANAPOLIS (October 16, 2019) – Noble Roman's Craft Pizza & Pub is where the buffalo roam! Join the fun for round three of Noble Roman's Pizza Dare Night series. Chef Tyler will be back serving up free slices of his newest pizza creation – Buffalo Bill's Bison Pizza! This daringly delicious pizza features Noble Roman's signature Deep-Dish Sicilian crust lightly brushed with rosemary infused olive oil and topped with Mozzarella, Muenster and cheddar cheese, roasted red bell peppers, crushed garlic and a generous portion of lean, ground bison. The 'pièce de résistance' comes last – liberal dollops of Chef Tyler's scratch-made port wine and baby portabella mushroom sauce, painstakingly reduced and simmered to perfection!

Pizza Dare Nights are a regular fun night out for pizza with a twist – if you dare! Order off the menu as normal and enjoy your favorite pizza, salads and breadsticks. Chef Tyler will be circulating through the dining room each event-night offering up free slices of Buffalo Bill's Bison Pizza for those discerning enough to try.
